Shortees is committed to providing exceptional customer service. If you are not happy with your shirt, return it to us within 30 days and we will provide you with an exchange, refund or credit.

While we are happy to accept returns, all returns do need to be unworn and unwashed. If you have obviously worn the shirt or washed it, we will be unable to accept it as a return. It is the customer's responsibility to cover the costs of shipping returned items. The original cost of shipping is also non-refundable.

Please include your original invoice with the returned item(s). Be sure to indicate if you would like refund, exchange or credit and why you are returning the item(s). All returns must include your name, address, email and order number.
